

After work with SweZam Wednesday 27th of April 2011, 6 pm

We are happy to invite members of the Swedish-Zambian Association and other interested to an After Work with two special guests from Zambia, John Mwansa and Judith Chipanta, midwife students from University of Zambia.

They are here as exchange students at Karolinska Institutet for three months and will talk about their experiences on working as midwives in Zambia, their education in Lusaka and differences/similarities to the education here in Sweden.

Come, get something to eat or have a drink together, get to know John and Judith, listen to their story and of course there is a lot of time for questions and discussions.

We meet at 6 pm at restaurant Ethio Star - on Saltmätargatan 19A
(T-Rådmansgatan) in Stockholm.
