

Zambian friends gathering!

Do you want to meet some Zambians and Swedes
with some kind of relation to Zambia?

Come to Gothenburg, Saturday Oct 10, at 18 h

We will have a gathering
with visiting Zambians from Mindolo in Kitwe
and members of other associations related to Zambia,
e.g. ZASP, Chiparamba, Thandizo, MaSwe

Our visitors will talk about the YRIC-project at Mindolo and we hope to show photos and videos from a visit in June. The other associations will describe their activities in Zambia and Sweden. We will share our experience of working with e.g. youth and how to improve what we do!

Then we will chat and eat good food and hopefully
have some nice music to listen to!
